

"You know
there's a mirror
here right?"

"SHIT *inaudible*
LOOK AWAY"

*bathroom door
opens*

*proceeds to hit
self with door
multiple times*

March's shoes on the floor

*struggling with
the stall door*

"March, Jack
Healy. Don't get
upset I'm not
here to hurt you,
just wanna ask
you a question"

*March opens
stall door*
"How stupid do
you think I am? I
got a license to
carry
motherf*cker"
