“ Birthday Edition “

A close-up photograph of a person's hand with fingers spread, palm facing forward. The hand is positioned centrally, with the fingers extending towards the top and sides. The skin tone is light. The background is plain white. Overlaid on the hand and extending to the edges of the frame is a large block of black, sans-serif text.

I TURNED 24 TODAY. ALL I
DREAMT 10 YEARS AGO WAS
TO SMOKE CIGARETTES,
FALL IN LOVE, BE SKINNY,
HAVE FRIENDS, BE A MOGUL
IN MY SMALL COMMUNITY,
MAKE MYSELF LAUGH, STAY
ONLINE, PRETEND IT DOES
NOT MATTER, ASK OTHERS
TO COLOR ME THE TRUTH
AND REFUSE TO BEG FOR
UNDERSTANDING, I HAD
PLENTIFUL HEROES AT AGE
FOURTEEN, AND THEY HAVE
ALL BEEN CANCELLED.

Would you love me enough to rip through toughened meat and prickled skin. Would you love me enough to crush me to pulp beneath your shearing molars. Would you love me enough to let the taste of me meddle on your tongue. Would you love me enough that if you come to hate the truth of my texture you would still swallow!!!

ONE YEAR LATER, IN RESPONSE.

WHAT HAVE I LEARNED?

BITEMEBITEBITEBITEBITEMEBITEME
BITEMEBITEMEBITEMEBITEMEBITEM
BITEME IF YOU WANT TO. I'll always
have my fair share.

I have waited in line at the liquor store hoping the cashier would flavor me something interesting. I thought this bottle of Belvedere meant anything to us. This is what it means to be a child; first it goes - I am blank and i rip the paper, but wait can you color it in, or maybe will you bring me the pencil of a color you think i will like. and then I release my fist. I bore myself. I hold my breath almost pathologically and the co2 in my brain does enough of the heavy lifting. my lungs crackle in the morning. i wont bother to ask you what you want from me. I almost died from mold exposure this year. i will always cheat death.

DEFY THE CULT MIND. ANY SELF HELP COURSE THAT REQUIRES
PAYMENT IS GOING TO KILL YOU EVENTUALLY

A SCORPIO take

ASTROLOGY CORNER

capricorn; glasswear is reflective for a reason

aquarius; leave more stones unturned

Pisces; spend time in elective challenge

aries: bless the rain, + keep an umbrella!

taurus; hopeless, bloated corpses are feet away from you

Gemini; are you SURE about that (john cena)

cancer; you wouldn't benefit from what I have to say

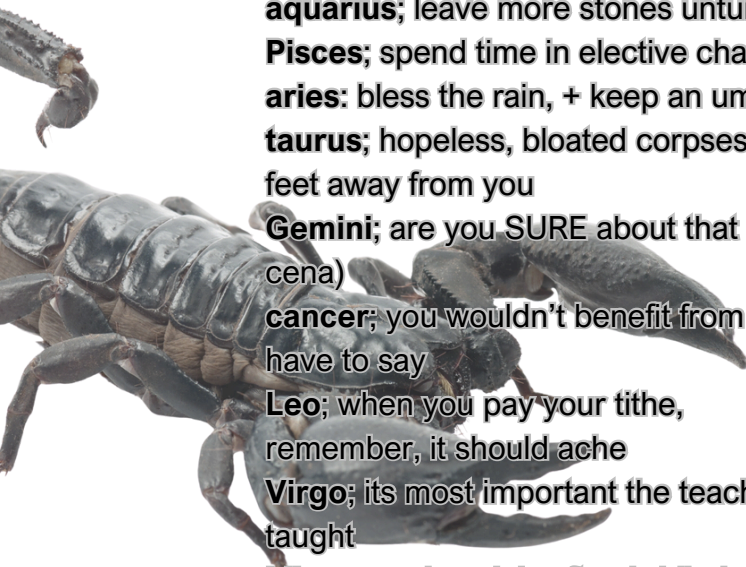

Leo; when you pay your tithe, remember, it should ache

Virgo; its most important the teacher be taught

Libra; good work is often bridled..

Scorpio; the wind will do the weathering

sagittarius; No need to drink to stay warm

twenty-four things I have learned at twenty-four

1. Buying items on the dark web will get you doxed
2. Disengage completely when people cause you anxiety honestly it is not personal
3. You get them how you lose them no matter what
4. Everyone exists in a third false reality where we lie sometimes you have to mask
5. Do not touch cats when they don't want to that is how they like you
6. How to ride horses AND shoot a gun
7. Use epistemological approaches to what offends me
8. Straight girls will care a lot about the male opinion
9. Cool people can make any environment fun and vibe
10. It is no ones job but my own
11. "When circumstance is reversed opinions are too"
12. Anytime I have listened to what other people tell me to do it results in the worst possible outcome
13. Having friend group is for a certain type of person and it really is not me
14. Holding off on peeing & breathing until I finish my task is causing health-related issues
15. Hurricane Katrina is genuinely discredited by Gen Z and needs to be remembered
16. A relationship will only embarrass me because I have bad taste
17. The row machine - 800 yards in 9 minutes, 4x a week
18. Do not smoke weed on the comedown for the love of god nor should you do drugs with insane people
19. Do not share your media favorites with people ever they just want to steal your swag and make it cringe
20. To have self esteem you need to do esteemable acts
21. Boredom makes me miserable
22. If it walks and talks and feels, it always is (Realizing That's So True)
23. Therapists in my price range make me worse and the good ones are unaffordable
24. Being comfortable being alone is the greatest sign of strength and intelligence.
